### *Greek wine varieties to know*

**Agiorgitiko** - (*aye-yor-yee-tee-ko*): This grape produces lush, velvety reds with black-cherry flavors.

**Assyrtiko** (*ah-sir-tee-ko*): A source of mineral, bone-dry, citrus-edged white wines.

**Athiri** (*ah-thee-ree*): Wines from this white variety often have a scent of stone fruits, like nectarines.

**Malagousia** (*mah-la-goo-see-ah*): This melony, jasminescented white was on the brink of extinction before winemaker Evangelos Gerovassiliou began growing it again.

**Moscofilero** (*mos-ko-fi-ler-oh*): A primarily Peloponnesian white, its wines have tangerine and blossom scents.

**Roditis** (*ro-dee-tis*): Elegant and light-bodied, this pinkskinned grape produces crisp whites and rosés. **Xinomavro** (*zhee-no-mav-ro*): This red has floral and spice aromas, firm **tannins**, and vibrant fruit. **Tannat** - (*tahn-naht*) tannins make it a fascinatingly structured full body wine, with a slightly spicy finish. This grape is also known for its juiciness, along with its deep color and fruit character. Tannat has wonderful acidity, that highlights its plum, black cherry, and blackberry fruit flavors.
